A Letter from the General Manager

We are coming to a close for the year 2022, it seems like it has flown by. As I get older, I am reminded of what the old timers used to say about how time does fly by so quickly!

Last month we celebrated the milestones of the careers of so many hard-working, dedicated team members. These team members have witnessed the growth and change of Tahlequah during their time at TPWA. We realize the life of any system designed for long-term use is only as good as the people who operate and manage these systems.

It is still our mission to provide the best possible services for our customers and we could not do that without the wonderful staff here at TPWA. We are grateful for the community we serve and all the opportunities we've had this past year to show our support. From all of us here at TPWA, Merry Christmas and Happy New Year!

- Mike Doublehead

City of Tahlequah Christmas Parade

On December 2, 2022, the City of Tahlequah held their annual Christmas Parade with the theme "Traditionally Tahlequah". What's more traditional than a Radio Flyer wagon filled with toys? That's exactly what our vision was at TPWA for this year's parade. And, of course, we couldn't forget our famous decked out bucket truck! We hope you had as wonderful of a time as we did and want to extend a special THANK YOU to Tahlequah's Chamber of Commerce for putting everything together and making this year's parade as magical as ever.

TPWA Christmas Parade Floats

Have a Merry Christmas & a Happy New Year!
