

## TextMyGov Announcement

Tahlequah Public Works Authority is excited to launch TextMyGov, a new, smart text messaging service! Residents can receive important notifications and text TPWA to find specific information.

TPWA will officially launch the new text messaging system to the public on **August 20, 2024**. Residents can choose to opt out at any time by texting **STOP** to **91896**.

If you don't receive the initial message, you can choose to opt-in by texting the keyword "**TPWA**" to the number **91896**. After sending the initial keyword, you will be asked to reply "**YES**" to confirm opt-in. Residents may receive notifications for **events, outages, important updates, office closings**, etc.

Also starting soon, residents will be able to receive on-demand information 24/7 by texting 1-2 keywords to the TPWA's TextMyGov number, **918.871.2323**. You'll be able to get quick information about **hours, rates, power outages, FAQs, and other TPWA information**.

TPWA's use of this technology is another example of how our community is enhancing resident services by implementing 21<sup>st</sup>-century solutions. We're excited about this new way of communicating with residents and look forward to sharing important notifications. Other governmental entities across the country are utilizing this system with great success. Stay informed, stay ahead.
